

CORE ONE CREATIVE

Core X2 acoustic premium cable

USING ADVANCED TECHNOLOGY, professional expertise from musicians working with Core One's engineers, and audiophile grade components that include 99.99% oxygen-free strands of multi-gauged copper and other high grade materials, the Core X2 acoustic premium cable is designed to capture the full frequency range of the natural tone produced by acoustic guitars. The cable, available in 12 feet (3.66 meters) and 20 feet (6.1 meters), is wrapped in a woven cloth argyle jacket and finished with gold plated jacks encased in real wood connectors, and detailed with vintage brass rings.

LIST PRICES: \$59.95 and \$79.95

CÓRDOBA GUITARS

GK Studio Gipsy Kings signature model acoustic guitar

INSPIRED BY LEGENDARY gypsy-flamenco-pop group the Gipsy Kings, the GK Studio, Córdoba's new signature model, has a slightly deeper body that is still thinner than a standard Spanish guitar. The GK Studio features a solid European spruce top, Cypress back and sides, rosewood fingerboard, bridge and binding, hand inlaid wood rosette, 650mm scale length, 50mm width at nut (1.96 inches), gold tuning machines and natural lacquer finish. A B-Band A3T pickup system gives the GK Studio a clear and natural tone when amplified, and includes both a three-band EQ and onboard digital tuner.

LIST PRICE: \$750.00
