All the coolest products, gadgets and toys on sale this month

Grid Index book

Grids occupy a special place in every designer's heart. So what better than a volume devoted to experimental grid work from the rather excellent folks at Gestalten?

£35

Box table

Next time you move house, forget about scoffing pizza out of the box and dine in style with this ace table wrapping for your cardboard boxes. Constructed from powder-coated steel and available in orange, yellow and white, it's not exactly top-table dining, but it's an ace and ingenious design piece.
